

COMMUNITY GRANTS

Note Revised Date

21st October

Over the years the Kiltearn Community Council (KCC) has assisted groups within the Community to meet part of their running costs through grant aid. The KCC hope to continue to do so and have agreed to invite constituted groups within the community to submit their “bids” for consideration by a given date (rather than considering ad-hoc requests through the year). This approach will allow the Community Council to consider the merits of particular requests and hopefully assist Groups to plan ahead as well as assisting in management of the funds held by the KCC.

Funding requests should be submitted to the KCC Treasurer by **21st October** 2017 using the standard application form; available from the Secretary or Treasurer through the following:-

treasurer@kiltearncc.co.uk

secretary@kiltearncc.co.uk

For general information on KCC please visit www.kiltearncc.co.uk
