ACT Early is a program delivered to schools across the Highland area. The ACT Early session is a vehicle for debate around the sensitive issue of violent extremism within communities. As such it is an enabler for community participants to air grievances, debate matters of interest to them and work through a group problem solving experience. The following links can provide more information regarding the program: <https://act.campaign.gov.uk/> <https://actearly.uk/>

Whilst Counter Terrorism is obviously a priority for Police Scotland, in the monthly report it is anticipated that there will be nothing to report monthly and the information will generally remain as above.
